

## DIVERSITY TRAINING

Our training program is thought-provoking, providing real-world examples and practice pointers. Now is the time to train your workforce and continue the important work of fostering diversity in the workplace.

- Electronic
- Easy to navigate
- Set deadlines for completion
- Accessible from anywhere, anytime

Written and developed by labor and employment attorneys, our training program covers topics such as:

- *What is diversity and why is it an important part of the organizational culture?*
- *How can I support workplace diversity?*
- *What is a stereotype?*
- *How your communication is filtered through your cultural perspective*
- *How to be culturally competent*
